Mr. ISRAEL. Madam Speaker, I rise today to recognize the Federal Drug Agents Foundation and its work to support and recognize federal agents, task force members and their families.

The Federal Drug Agents Foundation is a Long Island-based, not-for-profit organization that provides many services to the men and women who risk their lives to make this country safer and drug -free. The organization also provides these services to the family members of these men and women, as well.

The Foundation serves as an anchor of support for the American law enforcement community. It provides bereavement support and financial assistance for families of agents and task force members who die in the line of duty, including individual grants. The Foundation also provides support to agents and task force members who become injured in the line of duty.

When agents and task force members experience grave financial loss or severe trauma or encounter situations for which there is no other source of assistance available, the Foundation steps in to provide relief. This support is essential for those agents who put their lives on the line to keep Long Island safe.

The Foundation has also established a scholarship fund for agents and task force members who wish to pursue degrees in criminal justice, political science, law and related areas. This helps ensure our law enforcement community can benefit from the knowledge and experience of these hard-working, dedicated men and women. Funds like this make it possible to encourage future generations of committed agents in the criminal justice sector.

The Federal Drug Agents Foundation also makes charitable grants to Federal, State and local law enforcement related agencies . Among the organizations supported by the Foundation are the Drug Enforcement Administration, DEA, Immigration and Customs Enforcement, ICE, the Bureau of Alcohol, Tobacco, Firearms and Explosives, ATF, the Federal Bureau of Investigation, FBI, and various State and local law enforcement agencies and support groups.

I am honored to recognize the generosity and compassion of the Federal Drug Agents Foundation for the services it provides on Long Island. I applaud the Federal Drug Agents Foundation for their steadfast support and dedication.
