Dear Mr. ^{DENNIS}Schnur,

On January 15, 2016, the Group Supervisor of the Department of Homeland Security, Immigration & Customs Enforcement, Homeland Security Investigations (HSI) was a victim of a severe hit and run accident while on official duty in Miami, Florida. He sustained injuries and is currently suffering from a broken leg, neck injury, cracked rib with a considerable amount of discomfort on the right side of his upper body and left hip area. Doctor's estimate a recovery time from six months to a year and he greatly needs assistance with transportation to and from the doctor, housekeeping and catering for meals. Thank you in advance for your assistance.

Sincerely,
